

We've been making foodservice refrigeration, holding, serving, and custom fabrication equipment since 1975. As a leader in refrigeration technology, we've kept your food fresh and safe in even the toughest kitchen environments. And with the addition of our insulated hot box, we now keep your cooked pizzas fresh and hot as well! **Randell – trusted for decades to get the job done right for schools!**

# COLD & FRESH, FRESH & HOT
