Specification & Product Design

Due to continued product improvement, specification and product design may change without notice. Such revisions do not entitle the buyer to additions, changes or replacements for previously purchased equipment.

Sanitation Requirements

Certain areas require specific sanitation requirements other than N.S.F. & U.L. standards. Avtec must be advised of these specifications before fabrication of equipment. In these special circumstances, a revised quotation may be required to cover additional costs. Failure to notify Avtec before fabrication holds the dealer accountable for all additional charges.

Cancellations

Orders canceled prior to production scheduling entered into engineering/production and cancelled are subject to a cancellation charge (contact Customer Service for details).

Storage Charges

Avtec makes every effort to consistently meet our customers' shipment expectations. If after the equipment has been fabricated, the customer requests delay in shipment, and warehousing is required:

- Equipment held for shipment at purchaser's request for a period 30 days beyond original delivery date specified will be invoiced and become immediately payable
- Equipment held beyond 30 days after the original delivery date specified will also include storage charges

Shipping & Delivery

Avtec will attempt to comply to any shipping, routing or carrier request designated by dealer, but reserves the right to ship merchandise via any responsible carrier at the time equipment is ready for shipment. Avtec will not be held responsible for any carrier rate charges when the Dealer's requested carrier is used. rate charges are entirely between the carrier and purchaser. Point of shipping shall be determined by Avtec (Weidman, MI / Vicksburg, Mississippi). At dealers request, Avtec will endeavor whenever practical to meet dealers request. Freight charges for Dealer requested carriers will be collect unless otherwise noted.

Damages

All crating conforms to general motor carrier specifications. To avoid concealed damage, we recommend inspection of every carton upon receipt. In the event the item shows rough handling or visible damage, to minimize liability, a full inspection is necessary upon arrival. A notation must be placed on the freight bill and signed for by the truck driver. Appearance of damage will require removing the crate in the presence of the driver. Consignee is responsible for filing of freight claims when a clear delivery receipt is signed. Claims for damages must be filed immediately (within 10 days) by the consignee with the freight carrier. Retain all cartons and merchandise for inspection.

Returned Goods

Authorization for return must first be obtained from Avtec before returning any merchandise. Any returned goods shipment lacking the return authorization number will be refused, all additional freight costs to be borne by the returning party. Returned equipment must be shipped in original carton, freight prepaid and received in good conditions. Any returned merchandise is subject to a minimum handling charge (consult Customer Service for rate).

Installation

Equipment installation is the responsibility of the dealer and/or their customer.

Penalty Clauses

Dealer penalty clauses, on their purchase order or contractually agreed to between the dealer and their clients are not binding on Avtec. Avtec does not accept orders subject to penalty clauses. This agreement supersedes any such clauses in dealer purchase orders.
